

STABBED IN THE BACK

You would be horror stricken, wouldn't you, if you were told that that cowardly sneak, stabbing one of our boys in the back, is YOU?

Yet when you refuse to buy all the LIBERTY BONDS that you possibly can you are stabbing our boys in the back because you are refusing to do your share in furnishing them with all they need to protect them against the brutal enemy.

There are many ways of stabbing our men in the back but the most contemptible way of all is that of the man who is being protected by them against the enemy, who is enjoying safety and prosperity, who is making money and living at ease and who refuses to buy his full share of

LIBERTY BONDS.

When you go to bed tonight don't go to sleep before asking yourself whether that cloaked figure can possibly have YOUR face.
